

## Demystifying Telehealth:

### What families of children and youth with special health care needs need to know

*Facilitated by Erin Kelly, Executive Director, Children's Specialty Care Coalition*

*The webinar will include simultaneous interpretation in Cantonese and Spanish, and closed captioning.*

This webinar will create better awareness and understanding about telehealth, how families can use it, its value for children and youth with special health care needs/ disabilities and what policies are needed to ensure access and sustainability.
